ADA Fortier-

I wanted to let you know that I received your summons for the [REDACTED] [REDACTED] scheduled for February 24, 2010. However, I already have a Springfield District Court case scheduled for that day. A huge majority of the Springfield District cases I have received summons for have either pled pre-trial or have been continued, so I was not required to appear in court. Therefore I am not sure if your case will be in conflict with the Springfield one - I'll keep you informed if I hear anything about that case.
